Annual Quarterly Assurance
Report
July 2018 –June 2019

The Annual Quality Assurance Report (AQAR) of the IQAC
(For Universities)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year. (For example, July 1, 2017 to June 30, 2018)*

1.4.2 How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Self-assessment provides feedback regarding the strengths, weaknesses, opportunities and threats relevant to quality assurance within the institute. Quality assurance framework involves all the administrative wings. It covers from governance to implementation of policies and procedures. In this regard, IQAC provides the necessary arrangements for feedback responses from students, parents and other stakeholders on quality related institutional processes. The ultimate goal of stakeholder's feedback is to get useful insights for the purpose of improvement in all aspects of teaching, learning, assessment and capacity. Student feedback involves feedback on subject teacher related to professional competencies and learning environment during class room teaching. It also collects students input on design of curriculum, services extended, incorporation of novel teaching technologies and their overall experience related to facilities and educational resources alumni feedback is to obtain the inputs from the alumni on the quality of the graduates from the Department. This helps us to assess the extent of attainment of the programme outcomes. Employer's feedback is to obtain the employers input on the quality of the graduates whether the expectations of recruiters were fulfilled and SIMATS SCON takes the initiative of organizing Parents-Teachers-Students meet during the programme. Teacher's feedback is to obtain the teachers input on the overall educational environment. This feedback will specifically target the inputs of teachers on curriculum design, assessment patterns, and research policies.

2.3.2 Students mentoring system available in the institution? Give details. (maximum 500 words)

The College Mentoring system will assist our students with their transition to college life, support during difficult times, provide with guidance and advice, and will ultimately help to make their college experience more successful and satisfying. Mentoring is a developmental partnership through which one person shares knowledge, skills, information and perspective to foster the personal and professional growth of someone else. The power of mentoring is that it creates a one-of-a-kind opportunity for collaboration, goal achievement and problem-solving.

The Mentoring Programme is being operated in Saveetha College of Nursing since 2014

The motto of the mentoring system is to

- Connect students with a staff member
- Help to ease the transition to college life
- Help student understand the value of a college education
- Assist with character development
- Provide a supportive environment when the students experiencing difficult situations
- Assist student to avail community resources as needed
- Provide assistance or guidance to ensure success in the academics
- Facilitate decisions regarding major selection and career goals

As the students enter into the college as a fresher, 10 -15 students are divided into a small groups and one mentor will be assigned for them. That person will continue to be a mentor till he / she completes final year and leaves the college as graduate.

Mentor - mentee meeting will be conducted once in a month. During the meeting, each student will be given chance to meet their mentor separately and ventilate their problems. At that time students study progress, unit test marks, Academic performance, Clinical Experiences, Problems faced in a academic, personnel problems will be discussed. If students are facing any problem counselling will be given. If the problem is not rectified it will be brought to higher officials notice and seek the solutions.

If the students have any issues in academics or personal, they are encouraged to meet the mentors without any time restrictions. With the help of this system the academic performance is improves and students feels comfort with the mentors to share their issues. Confidentiality will be maintained during the system.
