

Registrar: Dr. D. Dhanasekar

One of our absolute artistic, literary, engineering and scientific academicians with a concrete record of building a network that continues to foster academic innovations, excellent multidisciplinary initiatives, remarkable resource management and of course advanced research expertise is identified to having inbuilt administrative efficiency to head and assure the smooth functioning of our world renowned University. The awards and honours the institution (Saveetha School of Engineering) has bagged under his strategic planning and management so far. In addition to his technical and administrative skills, positive attitude and commitment towards his roles and responsibilities all through his 30+ years of experience are what made him a unique leader today. Has bagged an ever wondered award of Volunteer Core Values Awards 2020 for the category of Teamwork in recognition of outstanding and valued volunteer contribution to the IET's vision and mission as the Chairman, IET Chennai Local Network which is a feather on his cap. An official attachment established across the Saveetha fraternity is his designated commitment wherein his heart and soul are continuing to pray for the betterment of the fraternity by choice. Inspiring are the leaders from the history; so does this Professor indeed.....
